

Ancillary Fees Comparison Chart

IMPORTANT NOTICE: The grid below summarizes the ancillary fees of a representative sample of the major airlines as of **May 2, 2011**. Most airlines provide exemptions for bag and seat fees for frequent flyer status, full fare and premium passengers. ASTA recommends that you include the following sample notice with passenger invoices if space permits:

CHECKED BAGGAGE POLICIES VARY BY AIRLINE, DESTINATION, FREQUENT FLYER STATUS, BOOKING CLASS, BAG SIZE AND WEIGHT. FEES MAY APPLY IF (1) YOU PLAN TO CHECK A BAG OR (2) YOU PLAN TO CARRY SPORTS EQUIPEMENT OR AN ODD-SHAPED ITEM OR (3) YOUR BAG EXCEEDS AIRLINE WEIGHT/SIZE LIMITS.

Please note that airline policies can change without notice. **Agents are therefore strongly advised to verify the applicable policies at the point of sale.** The information in the chart is for general guidance only and ASTA is not liable for deviations that individual airlines may apply. Fees may vary from those noted below, especially in international markets where multiple policies often apply. Please contact us at askasta@asta.org if you have information requiring a change.
